Customer Focus

Whether the project is hard-bid or design-build we provide solutions not change orders, leading to greater client satisfaction. Our design-build projects generate substantial results.

Accuracy

Change orders, including owner-requested change orders, average 1.4%.

Quality

Average annual warranty costs are only .13% of revenue.

Customer Satisfaction

In a recent survey, 10 out of 10 clients said they would recommend working with Delta.

Delta and LEED

Delta has been focused on Leadership in Energy and Environmental Design (LEED) since 2003. We currently have nine LEED Accredited Professionals on staff.

Our Vision

Delta Construction's vision is to become the preferred HUBZone contractor in Wyoming and Colorado. This includes being the preferred contractor for our customers, for our employees, and for our communities.
